

IMPORTANT

Warning to the Trade

Suits are now pending in the United States Court against the manufacturers, jobbers and retailers of a Wrench which is identical in all respects to our Hawkeye Wrench for infringement of Patent No. 72055 which is wholly owned by us. The trade is hereby cautioned that our rights under this Patent will be fully protected.

The original Hawkeye Wrench, first quality gun metal finish, can be purchased of all the leading hardware jobbers in this country.

HAWKEYE WRENCH CO.
